• To train, instruct, inspire, and lead New Cadets in a transition from civilians to Cadets and Soldiers

• Establish the moral/ethical, military, and physical foundation necessary for leaders of character committed to the USMA values: Duty, Honor, Country

• To provide a powerful leader development experience for the Upper-Class Cadets
Our mission is to ensure *each* graduate is a commissioned leader of character

**Trust** the leadership

Followership. To be a leader, you have to learn to be a follower.

We are a values based organization, we live the Honor Code *everyday*.

Standards are the **minimum** requirement.

A healthy organization requires Discipline and Accountability
As a future officer, I am committed to the values of Duty, Honor and Country.

I am an aspiring member of the Army Profession, dedicated to serve and earn the trust of the American people.

It is my duty to maintain the honor of the Corps.

I will live above the common level of life, And have the courage to choose the harder right over the easier wrong.

I will live with honor and integrity, scorn injustice, and confront substandard behavior.

I will persevere through adversity and recover from failure.

I will embrace the warrior ethos, and pursue excellence in everything I do.

I am a future officer and a member of the Long Gray Line.
